Designations of University Teachers

1954. SHRI ATAL BIHARI VAJPAYEE:

SHRI KAILASH PATI MISHRA:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether the various academic bodies set up since the University Education Commission, 1948-49 to the UGC Committee of 1969—73 had recommended reduction in the number of grades and designations of teachers in the University system, but Mehrotra Committee on the other hand has suggested 5 grades instead of the current 3; and

(b) what are Government's decisions in this regard and what are the reactions of college and University teachers in the country thereto?

THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCATION AND CULTURE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRIMATI KRISHNA SAHI): (a) The Mehrotra Committee, in its report, has dealt with the evolution of pay scales of University and College teachers since independence. According to the report, the University Education Commission (1948-49), under the Chairmanship of Dr. S. Radhakrishnan, had recommended that the multiplicity of scales of pay, which then existed, should be reduced to the minimum. The Commission recommended 6 grades for university teachers, and another 6 for college teachers, a total of 12 grades in all. The Education Commission (1964—66) had recommended three grades for university and 5 other grades for college teachers including the Principal. It was only in 1973, on the recommendations of the Sen Committee, that four grades were introduced in Universities including Professor of Eminence and all the existing grades of Lecturers in Colleges were combined into one grade. Later, the selection grade for Lecturers in colleges was introduced. The Mehrotra Committee has recommended one additional senior scale for Lecturers.

(b) The Government have accepted the recommendations of the Meh-
